

Minecraft Build-Off Contest

Summary:

A Minecraft Contest to determine who is the "Best Builder of Them All" - No Theme, just build anything that your imagination can come up with on a 50x50x256 platform.

When you join the server for the first time, you will be presented with a decision to Spectate or Claim a Platform to build on. *Note: The decision you choose is permanent.* When you choose an available platform, you will automatically be set into Creative Mode and teleported to the chosen platform to let your imagination run wild. Building-Platforms will be WorldGuarded to prevent Griefing/Cheating. 3 Judges will determine the top 3 winners that will be announced near the end of the LAN.

Important: After you have claimed a platform, please fill out our Registration Form Here: [LFSCBOC Registration Form](#) (This is required in order for your building submission to be considered on judgement day)

If you have any questions, problems or issues, please email: jason.grove@lfest.org.
